

TCI

Manufacturing & Equipment Sales

Our Latest Endeavor... a "BOLT TOGETHER" Conveyor!

**TCI helps you build your own conveyor with our
Pre-engineered Conveyor Package!**

Features of our "Bolt Together" Conveyor include:

- ALL Bolt Together Design-complete assembly instructions with blue prints.
 - Savings on freight-several conveyors can be shipped on the same truck/shipping container.
 - We supply ALL components including steel - you supply the labor.
 - The MOST economical way for producers to purchase conveyors.
